NEWS RELEASE

April 13, 2007

ENERGULF INCREASES PRIVATE PLACEMENT

(HOUSTON) Further to its news release of March 20, 2007, EnerGulf Resources Inc. (TSXV: ENG) announces it has increased its current private placement from 4,000,000 units to up to 7,000,000 units, to raise aggregate gross proceeds of up to \$4,900,000. As previously announced, each unit will consist of one common share and one warrant entitling the holder to purchase one additional common share at a price of \$0.90 for a period of one year. All other terms of the private placement remain unchanged.

The private placement is subject to regulatory approval.

Jeff Greenblum, Chairman of the Board, comments: "In light of the strong demand from existing supporters of EnerGulf, we have decided to increase our current offering. The conservative management of our capital structure allows us to make this increase and still maintain a prudent and flexible capital structure going forward."
