EnerGulf Adds Exploration Manager For Lotshi Block

(Vancouver, BC) EnerGulf Resources Inc. (“EnerGulf”) (ENG-TSX.V; EKS-Frankfurt) EnerGulf is pleased to announce that Campbell Cassidy has joined the company as Exploration Manager for its exploration activities on the Lotshi Block in the Democratic Republic of Congo (DRC) and any other future exploration activities in West Africa.

Mr. Cassidy has over 20 years of experience as a drilling engineer and manager. His prior experience includes work for Shell, BP, Anadarko, Santa Fe and Baker Hughes. Mr. Campbell has vast international oil and gas drilling and engineering experience ranging from Angola, Nigeria, Namibia, China and the North Sea. He has been a senior lecturer for Schlumberger engineering courses. He also has an executive MBA from Harriot Watt University – Edinburgh, and is a member of the Society of Petroleum Engineers.

EnerGulf Chairman of the Board and CEO, Jeff Greenblum, commented “We are delighted to have Mr. Cassidy join EnerGulf. We expect his depth of experience in the oil and gas industry around the world, and specifically in West Africa, to add considerably to the success of our DRC exploration program that we are now set to commence. We have long felt our DRC opportunity has the potential to become a cornerstone asset for EnerGulf and we look forward to his exploration leadership in that pursuit.”

EnerGulf Resources Inc. is a publicly traded international oil and gas exploration company focused on maximizing shareholder value by targeting high impact opportunities in the world’s most prospective hydrocarbon regions.
