ANDIMBA TOIVO YA TOIVO JOINS ENERGULF AS SENIOR ADVISOR FOR AFRICAN AFFAIRS

(HOUSTON) EnerGulf Resources Inc. (TSXV: ENG) is pleased to announce that the Honorable Andimba Toivo Ya Toivo has agreed to join EnerGulf as Senior Advisor for African Affairs.

Mr. Toivo Ya Toivo has been an African leader in the fight for freedom and democracy for over 45 years. His impressive portfolio of service to Namibia includes: Minister of Mines and Energy from 1990 to 1999, Minister of Labour from 1999 to 2002 and Minister of Prisons and Correctional Services from 2002 to 2004.

Mr. Toivo Ya Toivo, of Windhoek, Namibia was a founding member of the South West Africa Peoples Organization, known as SWAPO and served as its Secretary General. SWAPO was the organization that led the struggle for the independence of Namibia and is today's majority political party in Namibia. He was arrested and sentenced for 20 years by the South African government because of his political beliefs demanding freedom and independence for his country, serving 18 years, mostly at Robben Island prison, with his fellow Southern Africa freedom fighter, Nelson Mandela. Despite the 20 year sentence, Mr. Toivo Ya Toivo refused to be released from Robben Island until the rest of his fellow Namibian political prisoners were also freed. After Namibia's independence in 1990, he was elected to Parliament and since then has continued to be a major force in the movement of democracy in Namibia.

Commenting on the addition of Mr. Toivo Ya Toivo, Jeff Greenblum, EnerGulf Chairman of the Board stated, "It is indeed a distinct honor and privilege to welcome the Honorable Andimba Toivo Ya Toivo to EnerGulf. His life's work is legendary. His outstanding reputation and the enormous respect held for him throughout Africa and the world has been earned through years of exemplary leadership and devotion to his fellow countryman. His numerous relationships, unique insight, keen wisdom and in depth understanding of the mineral exploration business is an enormous asset to EnerGulf. I worked closely with him during my days at Diamond Fields Resources, Inc. and we look forward to our new working relationship with him, as we continue to work hard to expand our Pan African portfolio of high impact oil and gas exploration opportunities."
